2011-12
SEASON

Start a Team. Choose Your Challenge.

Destination ImagiNation is an educational program where student teams work on open-ended Challenges and present their solutions at Tournaments. A Challenge is a fun exercise that socially and intellectually engages students by prompting them to use creativity and teamwork to solve a problem. Because everyone is unique, we have developed seven different Team Challenges to unleash every child's potential.

Learn more about Destination ImagiNation, Inc. and our signature program at www.IDODI.org
